"The Handbook of Comparative Criminal Law should be judged as a pioneering work in its field, and one that provides something credible to be further built upon in the future. It should also be commended for generally steering clear of passing any normative judgment on the different practices of the different states (especially seeing how some chapters do not appear to be written by locals of the states in question), preferring instead to let the readers draw their own objective conclusions ...

The Handbook of Comparative Criminal Law by Kevin Jon ...

The Handbook of Comparative Criminal Law. This handbook explores criminal law systems from around the world, with the express aim of stimulating comparison and discussion. General principles of criminal liability receive prominent coverage in each essay—including discussions of rationales for punishment, the role and design of criminal codes, the general structure of criminal liability, accounts of mens rea, and the rights that criminal law is designed to protect—before the authors turn ...
