DevTools Of The Future - JSConf.Asia 2016 The Hitchhiker Edge Horowitz Graphic

The graphic format works brilliantly here, colours of dark and wet road scenes intermingled with shots of the boy's family, his dreams/nightmare visions of what the hitch-hiker might do to him. Very creepy, though the twists (some them) are obvious, others aren't, and for young readers, it's going to be a gobsacker at the end.
