I like the way Wheeler is able to develop characters so deeply and maintain a believable persona for each of them, good or evil. Like the first two in the series, this story has intrigue, treachery, action, love, and a healthy dose of fanciful magic. There's blood and love but no graphic gore or sex.

Gemma is undercover, trying to figure out who is stealing large amounts of tearstone from one of the Ripley royal mines when she encounters Prince Leonidas Morricone of Morta--her mortal enemy. Gemma tries to steer clear of the handsome prince, but when she finds herself behind enemy lines, she reluctantly joins forces with Leo. Also coming to Gemma's aid is Grimley, her beloved gargoyle.
