Australia: Still the lucky country? Chapter 1 of 3The Lucky Country Donald Horne

The Lucky Country is a 1964 book by Donald Horne. The title has become a nickname for Australia and is generally used favourably, although the origin of the phrase was negative in the context of the book. Among other things, it has been used in reference to Australia's natural resources, weather, history, its early dependency of the British system, distance from problems elsewhere in the world, and other sorts of supposed prosperity.

The Lucky Country - Wikipedia

Donald Horne's much abused phrase about Australia, as the 'lucky country', partly owes its misinterpretation to the national characteristics that he sought to describe in this book. Most Australians, even those with pretensions to intellectuality or public discourse didn't bother to read a book that told them their luck was running out.

Donald Horne wrote *The Lucky Country* in the early 1960s as a stark assessment of a nation he felt had lost its way. Australia possessed fabulous natural resources and enjoyed one of the highest standards of living in the world; yet, unlike other advanced nations, he felt it had done little to earn its success.

The Lucky Country by Donald Horne, which came out in 1964, has gone on to become a cult classic, as well as saddling this land with an entirely misappropriated nickname. On arriving in Australia...

Is Australia still the Lucky Country? - BBC News

Donald Richmond Horne AO was an Australian journalist, writer, social critic, and academic who became one of Australia's best known public intellectuals, from the 1960s until his death. Horne was a prolific author who published four novels and more than twenty volumes of history, memoir and political and cultural analysis. He also edited *The Bulletin*, *The Observer* and *Quadrant*. His best known work was *The Lucky Country*, an evaluation of Australian society that questioned many traditional attitudes.

Donald Horne - Wikipedia

It was on a hot summer's night in December 1964 that Donald Horne gave the nation - to use and much more frequently to misuse - the famous words by which he will be best remembered. "I was about to write the last chapter of a book on Australia," recalled Horne, who died yesterday, aged 83.

Forever misquoted, Donald Horne dies - SMH.com.au

This is so good! The phrase "The Lucky Country" is used a lot in the Australian media, rather like how the Americans use "God's Own Country" in theirs, and the first surprise was that author Donald Horne was being sarcastic. He DIDN'T think it was a good thing. Or a compliment.
