Olivia Dunne, a studious minister's daughter who dreams of being an archaeologist, never thought that the drama of World War II would affect her quiet life in Denver. An exhilarating flirtation reshapes her life, though, and she finds herself banished to a rural Colorado outpost, married to a man she hardly knows.

The Magic of Ordinary Days by Ann Howard Creel

5.0 out of 5 stars The Magic of Ordinary Days Reviewed in the United Kingdom on 27 April 2011 This is a wonderfully charming book which takes you gently back to the 1940s and WWII from the distance of a beet farm in Colorado. The blossoming relationship between Livy and Ray is very sweet.

Set in rural Colorado during 1944, The Magic of Ordinary Days opens with Olivia “Livy” Dunne (Keri Russell) on board a train. Based on her appearance, it’s obvious that she benefited from a privileged, somewhat pampered upbringing. When a soldier courts Livy, however, the brief indiscretion leads to an unplanned pregnancy.

Readers of Jan Karon ' s Mitford series and Patrick Taylor ' s Irish Country series will fall in love with Jeff High ' s funny, heartfelt Watervalley series. The pastoral charm of small-town Watervalley, Tennessee, can be deceptive, as young Dr. Luke Bradford discovers when he ' s caught in the fallout of a decades-old conflict... After a rocky start as Watervalley ' s only doctor, Luke Bradford has decided to stay in town, honoring the three-year commitment he made to pay off his medical school debts. But even as his friendships with the quirky townsfolk deepen, and he pursues a romance with lovely schoolteacher Christine Chambers, several military veterans ' emotional wounds trigger anger and unrest in Watervalley. At the center of the clash is the curmudgeonly publisher of the local newspaper, Luther Whitmore. Luther grew up in Watervalley, but he returned from combat in Vietnam a changed man. He fenced in beautiful Moon Lake, posting " Keep Out " notices at the beloved spot, and provokes the townspeople with his incendiary newspaper. As Luke struggles to understand Luther ' s past, and restore harmony in Watervalley, an unforeseen crisis shatters a relationship he values dearly. Suddenly Luke must answer life ' s toughest questions about

Shortlisted for the SYRCA 2013 Diamond Willow Award, selected as an American Library Association 2012 Notable Children's Book, a Booklist Editors' Choice, nominated for the OLA Golden Oak Tree Award, and a finalist for the Ruth and Sylvia Schwartz Children's Book Awards: Young Adult/Middle Reader Award, the Governor General's Literary Awards: Children's Text and the Canadian Library Association Book of the Year for Children Award

There's not much that upsets young Valli. Even though her days are spent picking coal and fighting with her cousins, life in the coal town of Jharia, India, is the only life she knows. The only sight that fills her with terror are the monsters who live on the other side of the train tracks -- the lepers. Valli and the other children throw stones at them. No matter how hard her life is, she tells herself, at least she will never be one of them. Then she discovers that she is not living with family after all, that her "aunt" was a stranger who was paid money to take Valli off her own family's hands. She decides to leave Jharia ... and so begins a series of adventures that takes her to Kolkata, the city of the gods. It's not so bad. Valli finds that she really doesn't need much to live. She can "borrow" the things she needs and then pass them on to people who need them more than she does. It helps that though her bare feet become raw wounds as she makes her way around the city, she somehow feels no pain. But when she happens to meet a doctor on the ghats by the river, Valli learns that she has leprosy. Despite being given a chance to receive medical care, she cannot bear the thought that she is one of those monsters she has always feared, and she flees, to an uncertain life on the street.

Bobby Weaver is a brother, an uncle, a husband, and a successful young writer who just happens to be in a coma. As he continues to work on his own unfinished novel, a murder mystery set along The Appalachian Trail, he shares his thoughts about his current situation, his family, and life in general. Interwoven throughout the book with Bobby's irreverent voice are the viewpoints of six other characters as we move through one day in their busy lives. From a spirited four-year-old, to a grieving seventy-three year old, we are introduced to the people in this young writer's life and a spare, bittersweet story unfolds with an unexpected and poignant ending. *THE WONDER OF ORDINARY MAGIC* is a novel that explores the subtle ways our lives are interconnected and it takes the reader on a journey that gently reminds us that even in the darkest of days, there are moments of wonder and ordinary magic waiting to be discovered and embraced.

Everything she loved could so easily be lost. The end of World War II should have brought joy to Gwen Mullen. But on V-J Day, her worst fear is realized. As celebrating crowds gather in Times Square, a soldier appears on her doorstep to claim Mary, the baby abandoned to Gwen

one year earlier. Suddenly Gwen is on the verge of losing the child she has nurtured and loves dearly. With no legal claim to Mary, Gwen begins to teach Lieutenant John McKee how to care for his child, knowing that he will ultimately take Mary away. What starts as a contentious relationship, however, turns into something more, and Gwen must open her heart to learn that love means taking chances. *While You Were Mine* paints a vivid portrait of 1940s New York and tells an enchanting tale of the nature of love and trust.

Inspired by the true story of the World War I American Women's Hospital, *Mercy Road* is a novel about love, courage, and a female ambulance driver who risks everything. In 1917, after Arlene Favier's home burns to the ground, taking her father with it, she must find a way to support her mother and younger brother. If she doesn't succeed, they will all be impoverished. Job opportunities are scarce, but then a daring possibility arises: the American Women's Hospital needs ambulance drivers to join a trailblazing, all-female team of doctors and nurses bound for war-torn France. On the front lines, Arlene and her fellow ambulance drivers work day and night to aid injured soldiers and civilians. In between dangerous ambulance runs, Arlene reunites with a childhood friend, Jimmy Tucker, now a soldier, who opens her heart like no one before. But she has also caught the attention of Felix Brohammer, a charismatic army captain who harbors a dark, treacherous secret. To expose Brohammer means risking her family's future and the promise of love. Arlene must make a choice: stay in the safety of silence or take the greatest chance of her life.

Gustav Klimt, one of the great painters of fin de siècle Austria—and the subject of Helen

Read Book The Magic Ordinary Days Novel

Mirren 's latest film, *Woman in Gold*—takes center stage in this passionate and atmospheric debut novel, which reimagines the tumultuous relationship between the Viennese painter and Emilie Flöge, the woman who posed for his masterpiece *The Kiss*, and whose name he uttered with his dying breath. Vienna in 1886 was a city of elegant cafés, grand opera houses, and a thriving and adventurous artistic community. It is here where the twelve-year-old Emilie meets the controversial libertine and painter. Hired by her bourgeois father for basic drawing lessons, Klimt introduces Emilie to a subculture of dissolute artists, wanton models, and decadent patrons that both terrifies and inspires her. *The Painted Kiss* follows Emilie as she blossoms from a naïve young girl to one of Europe's most exclusive couturiers—and Klimt's most beloved model and mistress. A provocative love story that brings to life Vienna's cultural milieu, *The Painted Kiss* is as compelling as a work by Klimt himself.

For millennia, men have told the legend of the woman whose face launched a thousand ships--but now it's time to hear her side of the story. *Daughters of Sparta* is a tale of secrets, love, and tragedy from the women behind mythology's most devastating war, the infamous Helen and her sister Klytemnestra. As princesses of Sparta, Helen and Klytemnestra have known nothing but luxury and plenty. With their high birth and unrivaled beauty, they are the envy of all of Greece. But such privilege comes at a cost. While still only girls, the sisters are separated and married to foreign kings of their father's choosing--the powerful Agamemnon, and his brother Menelaos. Yet even as Queens, each is only expected to do two things: birth an heir and embody the meek, demure nature that is expected of women. But when the weight of their husbands' neglect, cruelty, and ambition becomes too heavy to bear, Helen

Read Book The Magic Ordinary Days Novel

and Klytemnestra must push against the constraints of their society to carve new lives for themselves, and in doing so, make waves that will ripple throughout the next three thousand years. *Daughters of Sparta* is a vivid and illuminating reimagining of the Siege of Troy, told through the perspectives of two women whose voices have been ignored for far too long.
