Jesus Master plan for evangelism consisted of selecting a few men to follow Him. This is not to say that He ignored the masses as He addressed the masses and they regularly followed Him, sought Him out and were drawn to Him. Christ did not select the most prominent people, the most affluent, but He selected men willing to learn.

Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. An "attractional" model will seek to attract people to a local church. Younger leaders may advocate a more "missional" approach, in which believers live and work among unchurched people and intentionally seek to serve like Christ. While each of these approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationship with non-believers. DiscipleShift walks you through five key "shifts" that churches must make to refocus on the biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities.

You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself!" --D. A. Carson, Trinity Evangelical Divinity School "Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day." --Mitch Glaser, Chosen People Ministries

Evangelism Handbook is a thorough guide to the daily ministry of sharing Christ, showing particular concern about how the Western Church practices evangelism its failure to reach the hardcore unchurched and its trend of losing young people faster than it can win them. The author organizes his research and experience in effective modern evangelism into four clear and actionable categories: Biblical (with chapters on Jesus, Paul, Acts), Spiritual (the Holy Spirit, prayer, and other disciplines), Intentional (leadership, creativity, worship), and Missional (church planting, reaching the unchurched).

"Make Disciples." Jesus' command is clear. But what is a disciple? And how are we to "make" them? Based on decades of experience, this book explains and illustrates the process of disciple-making that Jesus taught and modeled. First published in 1974, its practical, biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others. Disciple-making is challenging, to be sure. But as we are faithful to Christ's Great Commission, we'll experience the fulfillment that comes from being faithful to the life mission to which God has called us.

"Every believer in Jesus Christ deserves the opportunity of personal nurture and development." says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple, practical, and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders "True growth takes time and tears and love and patience," Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church.
