Is it possible the United States, a superpower without peer in history, might not be a key player as the world makes its way down the road to the Battle of Armageddon? This is the central question explored by prophecy expert Mark Hitchcock in *The Late Great United States*, a fascinating behind-the-headlines look at numerous current events and how they relate to what the Bible says about the last days. Americans are accustomed to seeing their country center stage as a world power, but as Hitchcock carefully details, this may not be the case in the final scene. Based on extensive research of the Bible and other sources, *The Late Great United States* provides compelling and often surprising answers to questions like these: •Does the Bible say anything about America in the last days? •How could the U.S. fit into God's prophetic plan? •Will America survive? •Might the anti-Christ come from America? •Could America's addiction to oil be her undoing? •Will America be destroyed by a nuclear attack? •Could America fall from within as a result of moral corruption? •Is America still a "blessed" nation? •How should individual Christians respond to a world in chaos? Regardless of America's final fate and the outcome of dire events at the end of the age, Hitchcock urges us to find our hope in a God who will not forsake us—no matter what cataclysms we experience on earth. From the Hardcover edition.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Clarifies commonly-asked questions about the Rapture and the second coming of Jesus Christ, in a book that compiles analyses from top Bible prophecy experts and includes the latest research on Rapture teaching.

A study of events leading up to Christ's Second Coming examines biblical prophecies concerning Armageddon, the role of Israel during that period, the events of the "Rapture," and its overwhelming consequences

The Nuts and Bolts of Bible Prophecy: Core Topics Explained provides a brief overview of all of end time Bible Prophecy's main topics taken from the Bible. If you are new to Bible Prophecy and would like an overview of its teachings, this book is for you. This book is the second in the short book collection of information packed short reads.
