The Reason Is You is a splendid debut and all-consuming reading experience."—USA Today "A spot-on debut novel, Sharla Lovelace's prose is smart, witty, funny, with a hot sexy edge that makes The Reason Is You an oh-so-tantalizing romantic journey, without any gooeey gushiness oozing too sweet sentiment. She takes us through the lives of Dani and a fascinating cast of characters—and lucky for readers, the line between our world and the mystical one is deliciously blurred.
