Nate Powell - Wikipedia

This is an interesting memoir written from the perspective of a white boy growing up in Texas during the 1968 American Civil Rights movement. The title is a barbed quote from Martin Luther King: "In the end we will remember not the words of our enemies, but the silence of our friends."

The Silence of Our Friends (Graphic Novel) | Skokie Public ...

In 2014 Ed West wrote a short book called The Silence of Our Friends about the persecution and religious cleansing of ancient Christian sects, followers of John the Baptist, Marionites, and others in the Middle East. In the book, West says:

The Silence of Our Friends – Episcopal Cafe

The Silence of Our Friends has not been banned or challenged to date, so we highlight it here for two reasons: First, in commemoration of the 50 th anniversary on the March on Washington; and second, because this story then and now, powerfully relates the pain and ramifications of censorship and racism and the effects such silencing has on everyone.

Follows the experiences of a white family from a racist suburb and a black family from Houston's most disadvantaged community who cross color lines to defend five black college students charged with the murder of a policeman.

A New York Times–bestselling graphic novel based on the true story of two families—one white and one black—who find common ground as the civil rights struggle heats up in Texas. This semi-autobiographical tale is set in 1967. A white family from a notoriously racist neighborhood in the suburbs and a black family from its poorest ward cross Houston's color line, overcoming humiliation, degradation, and violence to win the freedom of five black college students unjustly charged with the murder of a policeman. The Silence of Our Friends follows events through the point of view of young Mark Long, whose father is a reporter covering the story. Semi-fictionalized, this story has its roots solidly in very real events. With art from the brilliant Nate Powell (Swallow Me Whole) bringing the tale to heart-wrenching life, The Silence of Our Friends is a new and important entry in the body of civil rights literature. Praise for The Silence of Our Friends: "[A]n engrossing narrative about race in America, while honestly dealing with a host of other real-world issues, including familial relationships, friendship, dependency, "other"-ness, and perhaps most importantly, the search for common ground." —Publishers Weekly "A moving evocation of a tipping point in our country's regrettable history of race relations, Long and Demonakos's story flows perfectly in Eisner and Ignatz Award winner Powell's graceful and vivid yet unpretty black-and-gray wash." —Library Journal "[C]onvincingly depicts the systemic racism, blatant and subtle, that suffused and corroded everything during [the] period...[Popwell's] imagery amplifies the effects of the book's multiple perspectives—the overwhelmed kid's-eye view of uneasy family dynamics and open Texas spaces, the hyperkinetic chaos on campus, the cropped literalism of TV newscasts." —The New York Times "Powell uses a mixture of large and small panels along with a variety of frame compositions and points of view to give the book a cinematic realism. From this intimate vantage point, racist incidents are shockingly ugly, while happy domestic moments—as when the kids from both families belt out "Soul Man"—are unself-consciously beautiful. The youthful protagonist and graphic-novel format will plunge readers into a time that can seem very distant. Ideal as a class read, absorbing for solo readers." —School Library Journal "Covering a time period of societal unrest from Viet Nam to the assassination of Martin Luther King, Silence uses realistic black-and-white illustrations to convey a subject that is not black and white." —VOYA

A Washington Post Notable Book One of the Best Books of the Year: NPR, The Economist, Financial Times Shortlisted for the Costa Novel Award Finalist for the Women ' s Prize for Fiction Here is the story of the Iliad as we ' ve never heard it before: in the words of Briseis, Trojan queen and captive of Achilles. Given only a few words in Homer ' s epic and largely erased by history, she is nonetheless a pivotal figure in the Trojan War. In these pages she comes fully to life: wry, watchful, forging connections among her fellow female prisoners even as she is caught between Greece ' s two most powerful warriors. Her story pulls back the veil on the thousands of women who lived behind the scenes of the Greek army camp—concubines, nurses, prostitutes, the women who lay out the dead—as gods and mortals spar, and as a legendary war hurtles toward its inevitable conclusion. Brilliantly written, filled with moments of terror and beauty, The Silence of the Girls gives voice to an extraordinary woman—and makes an ancient story new again.

Eric is the new kid in seventh grade. Griffin wants to be his friend. When you're new in town, it's hard to know who to hang out with—and who to avoid. Griffin seems cool, confident, and popular. But something isn't right about Griffin. He always seems to be in the middle of bad things. And if Griffin doesn't like you, you'd better watch your back. There might be a target on it. As Eric gets drawn deeper into Griffin's dark world, he begins to see the truth about Griffin: he's a liar, a bully, a thief. Eric wants to break away, do the right thing. But in one shocking moment, he goes from being a bystander . . . to the bully's next victim. This title has Common Core connections.

A sophisticated investigation into the persistence of myth in the modern world draws on a wide range of memoirs, poems, fiction and philosophy to explore how the human imagination is compelled by hardship into worlds beyond real experience. By the author of Straw Dogs.

June Hur's elegant and haunting debut The Silence of Bones is a bloody YA historical mystery tale perfect for fans of Kerri Maniscalco and Renée Ahdieh. I have a mouth, but I mustn't speak; Ears, but I mustn't hear; Eyes, but I mustn't see. 1800, Joseon (Korea). Homesick and orphaned sixteen-year-old Seol is living out the ancient curse: " May you live in interesting times. " Indentured to the police bureau, she ' s been tasked with assisting a well-respected young inspector with the investigation into the politically charged murder of a noblewoman. As they delve deeper into the dead woman's secrets, Seol forms an unlikely bond of friendship with the inspector. But her loyalty is tested when he becomes the prime suspect, and Seol may be the only one capable of discovering what truly happened on the night of the murder. But in a land where silence and obedience are valued above all else, curiosity can be deadly. Praise for The Silence of Bones: ABA Indies Introduce Selection "At once haunting and evocative, June Hur's The Silence of Bones is a gorgeous, tightly-woven debut. Prepare to delve deep into the lush and dangerous world of Korea in the 1800's for a page-turner you won't soon forget." —Hafsah Faizal, New York Times–bestselling author of We Hunt the Flame "This gripping drama is definitely one you're not going to want to miss." —Buzzfeed

A Dickensian Family and a racist Criminal Justice System have blown my life off course. How I prevailed over the long haul is my bizarre, gut-wrenching story. The travesty of having my freedom snatched away will haunt me to my grave. I became my own lawyer to challenge a double life plus 15 year sentence and I talked to animals for companionship and used a city dump as a clothing store to outfit myself when my family tossed me out in the cold. I had to use my brain power to fight calamities rather than get the diploma I wanted in business management. I ' m still ashamed of being falsely accused. This is a horror story of a wrecked life and a focused mind.

--WINNER OF THE 2009 EISNER AWARD FOR BEST NEW GRAPHIC NOVEL! --NOMINATED FOR THREE 2009 EISNER AWARDS INCLUDING BEST GN & BEST CARTOONIST! --WINNER OF THE 2008 IGNATZ AWARD FOR "OUTSTANDING DEBUT"! --ONE OF YALSA'S "GREAT GRAPHIC NOVELS FOR TEENS"! --FINALIST FOR THE LA TIMES BOOK PRIZE! ----Swallow Me Whole is the first graphic novel since 1992's Maus to be nominated for this prize in any category. --WINNER OF THE 2009 IGNATZ AWARD FOR "OUTSTANDING ARTIST"! "Nate Powell's Swallow Me Whole, a disturbed, haunting book, is impossible to describe... It's not an easy book, but its dark brilliance marks its creator as a writer-artist of genius."--Neel Mukherjee, The Times (UK) "Scaldingly dark ... Powell's flowing, impressionistic artwork, with its ravenous expanses of negative space, swirls the reader's perspective through his characters' perceptions and back out again."--Douglas Wolk, The New York Times "Honest and lovingly portrayed. Every word in this graphic novel is carefully chosen, dialogue is realistic, and background "noise"masterfully done. Powell's detailed pen-and-ink drawings are well executed with lettering and images so brilliantly intertwined that they are one and the same."--Lara McAllister, School Library Journal "Darkly sublime."--Booklist "His layouts, his touch with shadow and darkness, the way he brings you close enough to Ruth that you can watch her sleep without disturbing her dreams, all that stuff is amazing. ... Nate Powell can do it all. In his hands, even the high-school parking lots and the booths at the local diner are equal parts hope and foreboding."-- Steve Duin, The Oregonian "[Swallow Me Whole] achieves some stunning effects with the art and the lettering ... Powell has a look halfway between Charles Burns and Craig Thompson, and at times, Swallow Me Whole enters that rarified sphere of art comics where the page design alone achieves the mood and meaning that that the artist is shooting for... Swallow Me Whole captures the desperation of the clinically obsessed, and how from the right angle, it can look like genius."--The AV Club "Both provocative and thoughtful ... not since Robert Altman's Images has a medium so perfectly conveyed the experience of schizophrenia ... It's the best graphic novel since Craig Thompson's Blankets."--Chris DeVito, CD Syndicated Swallow Me Whole is a love story carried by rolling fog, terminal illness, hallucination, apophenia, insect armies, secrets held, unshakeable faith, and the search for a master pattern to make sense of one's unraveling. In his most ambitious book to date, Nate Powell quietly explores the dark corners of adolescence -- not the clich_d melodramatic outbursts of rebellion, but the countless tiny moments of madness, the vague relief of medication, and mixed blessing of family ties. As the story unfolds, two stepsiblings hold together amidst schizophrenia, obsessive compulsive disorder, family breakdown, animal telepathy, misguided love, and the tiniest hope that everything will someday make sense. Deliberately paced, delicately drawn, and drenched in shadows, Swallow Me Whole is a landmark achievement for Nate Powell and a suburban ghost story that will haunt readers long after its final pages.

In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.
