A "Must" pick by Entertainment Weekly An A.V. Four-time Emmy winner Mike Reiss—who has worked on The Simpsons continuously since episode one in 1989—shares stories, scandals, and gossip about working with America's most iconic cartoon family ever. Reiss explains how the episodes are created, and provides an inside look at the show's writers, animators, actors and celebrity guests. In his freewheeling, irreverent comic style, Reiss reflects on his lifetime inside The Simpsons—a personal highlights reel of his achievements, observations, and favorite stories. Springfield Confidential exposes why Matt Groening decided to make all of the characters yellow; dishes on what it's like to be crammed in a room full of funny writers sixty hours a week; and tells what Reiss learned after traveling to seventy-one countries where The Simpsons is watched (ironic note: there's no electricity in many of these places); and even reveals where Springfield is located!
