The Smoke Thief is set in the 1750's so it also has the richness and textures of that time period. The author creates a world where a group of people can shift into beautiful, majestic dragons. I loved so many things about this book. The flying sequences were phenomenal.

The Smoke Thief (Drakon, #1) by Shana Abe

Clarissa Hawthorne (Rue) is a halfling Drakon who is an insignificant speck amongst the tribe's pure blood Drakon. Christoff Langford, Earl of Chasen is the alpha heir to the tribe and Rue has always been in love with him since childhood.

For centuries they've lived in secret among northern England's green and misted hills. Creatures of extraordinary beauty, power, and sensuality, they possess the ability to shape-shift from human to dragon and back again. Now their secret—and their survival—is threatened by a temptation that will break every boundary. . . . Dubbed the Smoke Thief, a daring jewel thief is confounding the London police. His wealthy victims claim the master burglar can walk through walls and vanish into thin air. But Christoff, the charismatic Marquess of Langford, knows the truth: the thief is no ordinary human but a “runner” who's fled Darkfrith without permission. As Alpha leader of the dra'kon, it's Kit's duty to capture the fugitive before the secrets of the tribe are revealed to mortals. But not even Kit suspects that the Smoke Thief could be a woman. Clarissa Rue Hawthorne knew her dangerous exploits would attract the attention of the dra'kon. But she didn't expect Christoff himself to come to London, dangling the tribe's most valuable jewel—the Langford Diamond—as bait. For as long as she could remember, Rue had lived the life of a halfling—half dra'kon, half mortal—and an outcast in both worlds. She'd always loved the handsome and willful Kit from the only place it was safe: from afar. But now she was no longer the shy, timid girl she'd once been. She was the first woman capable of making the Turn in four generations. So why did she still feel the same dizzying sense of vulnerability whenever he was near? From the moment he saw her, Kit knew that the alluring and powerful beauty was every bit his Alpha equal and destined to be his bride. And by the harsh laws of the dra'kon, Rue knew that she was the property of the marquess. But they will risk banishment and worse for a chance at something greater. For now Rue is his prisoner, the diamond has disappeared, and she's made the kind of dangerous proposition a man like Kit cannot resist. . . . In this bewitching novel, Shana Abé transports us into a world of exhilarating romance and magic.

Kit, the young leader of a mysterious tribe possessing the power to transform themselves into dragons, journeys to London to find a rogue drfkon who has been using his abilities to steal a fortune in jewels, but when he sets a trap for the culprit, he comes face to face with a beautiful and enigmatic young woman. Reprint.

Kit, the young leader of a mysterious tribe possessing the power to transform themselves into dragons, journeys to London to find a rogue drkon who has been using his abilities to steal a fortune in jewels, but when he sets a trap for the culprit, he comes face to face with a beautiful and enigmatic young woman. 35,000 first printing.

THINK ABOUT HISTORY. NOW MAKE IT WORSE . . . The Domination of the Draka begins as a British possession in Africa, but soon becomes far more. Absorbing refugees after the American Revolution, and later the Civil War, the Draka become a people bred to rule with an iron fist. They permanently enslave the peoples of Africa, when they do not simply kill them. But this does not slake the Draka thirst for power. Sweeping across the world, the Draka empire engulfs nation after nation, shackling into servitude all who are not Draka. Europe, Asia, and finally all the Earth and its colonies throughout the Solar System fall before the might of the Draka. But empires are not faceless monoliths; they are made of individuals, complex humans with their own hopes and dreams. And so one might ask: Who are the Draka What sort of people does the Domination rule The Draka would have many different answers and this is their story. At the publisher's request, this title is sold without DRM (Digital Rights Management). " . . an exciting, evocative [and] horrifying read." ³/₄Poul Anderson "A vivid alternate reality . . . truly a tour de force." ³/₄David Drake "A potent, unflinching look at a might-

have-been world whose evil both contrasts with and reflects that in our own." ³/₄Publishers Weekly ". . . superb action scenes, interesting characters, and a detailed if somewhat grisly world." ³/₄Chicago Sun-Times

In the remote hills of northern England lives a powerful clan with a centuries-old secret. They are the drákon, shape-shifters who possess the ability to Turn—changing from human to smoke to dragon. And from the very stones of the earth, they hear hypnotic songs of beauty and wonder. But there is one stone they fear.... Buried deep within the bowels of the Carpathian Mountains lies the legendary dreaming diamond known as Draumr, the only gem with the power to enslave the drákon. Since childhood, Lady Amalia Langford, daughter of the clan's Alpha, has heard its haunting ballad but kept it secret, along with another rare Gift.... Lia can hear the future, much in the way she hears the call of Draumr. And in that future, she realizes that the diamond—along with the fate of the drákon—rests in the hands of a human man, one who straddles two worlds. Ruthlessly clever, Zane has risen through London's criminal underworld to become its ruler. Once a street urchin saved by Lia's mother, Zane is also privy to the secrets of the clan—and is the only human they trust to bring them Draumr. But he does nothing selflessly. Zane's hunt for the gem takes him to Hungary, where he is shocked to encounter a bold, beautiful young noblewoman: Lia. She has broken every rule of the drákon to join him, driven by the urgent song of Draumr—and her visions of Zane. In one future, he is her ally. In another, her overlord. In both, he is her lover. Now, to protect her tribe, Lia must tie her fate to Zane's, to the one man capable of stealing her future—and destroying her heart....

In Darkfrith, a remote region of eighteenth-century England, a tribe of shape-shifters capable of transforming into dragons hides their secret, until they discover that another clan of drákon exists in the Carpathian Mountains of Transylvania, and the leaders of the two bands--the warrior Kimber and Princess Maricara--must unite to protect their people. Reprint.

BONUS: This edition contains an excerpt from Shana Abe's The Time Weaver. She is a young drákon of untried powers. He is the powerful second son of the Alpha male from their clan of shapeshifting, supersensual beings. And what she is about to attempt will violate every taboo and break every law that bind the drákon together—and just may save them from destruction. A mere seamstress's daughter, Zoe Cyprienne Lane isn't even in the same league as Lord Rhys Langford. Nothing could be more shocking than the notion that she'd set out to find her childhood friend and first true love. But when news arrives in the Carpathian Mountains of Transylvania that Rhys is being held captive, that's just what she does. Guided by her own hidden Gifts and her psychic link to Rhys—his presence and touch as electric as if he were beside her in the flesh—Zoe is his last lifeline to a world and a passion he thought he'd never regain. Only reunited, hunter and huntress, can they save the drákon from those who would destroy them all.

From the highly acclaimed author of "The Treasure Keeper" and "Queen of Dragons" comes this mesmerizing new novel of the drakon, a supersensual race of shapeshifters whose world exists side by side with our own.

It will take a thief to stop a thief. Zarinth is a dangerous city at the edge of the kingdom, illuminated by the constant fire of the nearby volcano Ishantil. For thief Ty, it's more than a city filled with valuable ancient dragon relics. It's the home he could never leave. When Ishantil threatens to erupt, and the city descends into chaos, Ty wants one last score before finally leaving the city—and his past behind. All while the notorious Dragon Thief chases the same prize. The Dragon Thief has a reputation for a reason, but Ty begins to think there's more to the job than he ever expected. Success means more than freedom. It

Download File PDF The Smoke Thief Drakon 1 Shana Abe

means he can buy the answers he really wants. And it just might save the city from destruction. Packed full of action and adventure, Path of the Flame is the beginning of a brand new epic fantasy adventure.

Aisling Grey is a courier enjoying a free, work-related trip to Paris when she learns she's a Guardian. That's a keeper of the Gates of Hell, for those who don't know. She finds this out from Drake Vireo, who's scrumptiously sexy-at least in his human form. Now Drake has stolen the package Aisling was sent to deliver, and she must track him down, get the package, and try to resist the passion boiling inside her.
