Sum Of All Fears was another adaptation of a Tom Clancy book about one of his favorite characters Jack Ryan this time played by Ben Affleck. Ryan is a young Russian analyst. The problem is the plot is a bit farfetched. It involves an Austrian neo-Nazi building a nuclear bomb to try to start a war between

Filled with explosions and espionage, The Sum of All Fears is a typical big budget action film in most regards. It attempts to be thought-provoking, but manages only to be alarmist. The acting is nothing to write home about. As Jack Ryan, Ben Affleck does his best, which isn't saying much.
