As the Wanted, Unwanted, and Necessaries struggle to adjust to changes in their society, Mr. Today begins training fourteen-year-old Alex to replace him as Artime's leader one day while Alex's disgraced twin, Aaron, connives to take over Quill.

The magical world of Artim é is gone and the Unwanteds are looking to Alex Stowe for answers, but while his twin brother Aaron continues to build his army in Quill, a very dangerous common enemy is revealed.

Uncover adventure and dangerous secrets in book four of the New York Times bestselling Unwanteds series, which Kirkus Reviews called “ The Hunger Games meets Harry Potter. ” As Alex grows more confident in his role as the mage of Artim é , he expands his skills and brings his first creature to life—with results that are both painful and wonderful. A team from Artim é heads out to rescue Sky and Crow ’ s mother from underwater Pirate Island and discovers there are more creatures than they ever imagined in the ocean surrounding the islands—and not all of them are friendly. Meanwhile in Quill, Aaron faces threats to his leadership as Gondoleery hones her rediscovered magical abilities and Eva and Liam form a secret alliance against him. But Aaron ’ s distracted with a discovery of his own—a hidden jungle that holds a dangerous secret. His time there yields a startling truth about himself, and a potential opportunity to increase his power...

"Head mage Alexander Stowe and his friends successfully fended off the latest threat to their magical world of Artim é with the help of a surprise ally. But old enemies have secretly been plotting against them. Now Alex must lead his people in a final epic battle, one they can't hope to win alone"--

On the brink of war, the fates of both Artim é and Quill are at stake in book six of the New York Times bestselling Unwanteds series, which Kirkus Reviews called “ The Hunger Games meets Harry Potter. ” Alex and Aaron Stowe are at a crossroads. Everything Aaron has worked so hard to build in Quill has crumbled. Fallen from the height of power and influence and left for dead in a foreign place, Aaron has lost everything, and now he must humbly beg for food from those who saved his life. In Artim é , Alex chooses his people over his brother and abandons his search for Aaron, closing the door on that relationship forever. The Artimeans need his focus now more than ever as they face the terrifying power of a new enemy who has taken control of Quill—the notoriously evil Gondoleery Rattrapp. Desperate to stop her, Alex embarks on a risky mission to enlist help from an unlikely ally, and along the way he ’ s determined to rescue a lone sailor from monstrous beasts with mysterious origins—a sailor who just might show Alex a different world. As he prepares for an epic war with all of Quill and Artime hanging in the balance, Alex must place his faith in a reckless plan...and hope that he and all of his friends make it through alive.

Ten years after Alex and Aaron Stowe brought peace to Quill and Artim é , their younger twin sisters journey beyond the islands in this New York Times bestselling first novel of a new sequel series to The Unwanteds, which Kirkus Reviews called “ The Hunger Games meets Harry Potter. ” Identical twins Fifer and Thisbe Stowe have amazing yet uncontrollable magical abilities. They ’ re naturally more gifted than even their brother, Alex, the head mage of Artim é , could hope to be. But when they accidentally use their magic in the jungle of Artim é to strike down a beloved creature, Alex is furious, and threatens to lock them away until they can learn to control their power. The threat is soon forgotten, though, when Hux, the ice blue dragon, comes to Artim é bearing the horrible news that his siblings have been enslaved by the notoriously evil Revinir, ruler of the dragon land. Seeking a chance to right their wrong and escape their brother ’ s wrath, Thisbe, Fifer, and their friend Seth sneak away to rescue the dragons from grave peril. Will their untrained abilities be enough to save the dragons—and themselves—when they come face-to-face with the Revinir?

Ten years after Alex and Aaron Stowe brought peace to Quill and Artim é , their younger twin sisters journey beyond Artim é in the fourth novel in the New York Times bestselling sequel series to The Unwanteds, which Kirkus Reviews called “ The Hunger Games meets Harry Potter. ” At last, after harrowing battles and devastating losses, the three Stowe siblings are reunited. Back in Artime, however, their joy at finding one another is short lived. Fifer loses her leadership position and struggles to find her place and purpose, while Thisbe is relentless in her determination to return to the land of the dragons and help Rohan rescue the other black-eyed children. Aaron fails to ward off increasing opposition from a resentful Frieda Stubbs and the dissenters, leading to a shocking and dangerous turn. Meanwhile the Revinir pursues Thisbe and Drock all the way to the seven islands, putting the people of Artim é in peril. To save them, Thisbe makes an unthinkable sacrifice that leaves Fifer, Aaron, and the others to face political eruption and destruction in the formerly peaceful magical world.
