on Your Super Natural Life The Vegetarian Myth Food Justice

"In The Vegetarian Myth ex-vegan Lierre Keith argues that saving the planet and ending the suffering found in factory farms can not be achieved by refusing to eat animals, it can only be achieved by boycotting modern agricultural practices, which Keith calls 'the most destructive thing that people have done to the planet.'" --www.mercola.com

Vegetarian Myth, The: Food, Justice, and Sustainability ...

The Vegetarian Myth by Lierre Keith is an intense discussion about health, food, and ecosystems. She spent 20 years of her life as a vegan. It destroyed her body and damaged her mental health. Her spine has irreparably degenerated, and is a source of chronic pain. She can never have children. Nobody warned her, not even her doctors.

The Vegetarian Myth: Food, Justice, and Sustainability by ...

We've been told that a vegetarian diet can feed the hungry, honor the animals, and save the planet. Lierre Keith believed in that plant-based diet and spent twenty years as a vegan. But in The Vegetarian Myth , she argues that we've been led astray - not by our longings for a just and sustainable world, but by our ignorance.

4 The Vegetarian Myth this point: all ease, grace, justice. Religion, science, medicine, art were born, and the endless struggle against starvation, disease, violence could be won, all because humans figured out how to grow their own food. The reality is that agriculture has created a net loss for human

The Vegetarian Myth: Food, Justice, and Sustainability by ...

The Vegetarian Myth : Food, Justice and Sustainability. Part memoir, nutritional primer, and political manifesto, this controversial examination exposes the destructive history of agriculture--causing the devastation of prairies and forests, driving countless species extinct, altering the climate, and destroying the topsoil--and asserts that, in order to save the planet, food must come from within living communities.
