In this travel book for kids stuck in the back of the car without modern conveniences like DVD players, Leonard Wise does for the license plate what Aristotle did for all types of human knowledge in his day, to wit, provides a detailed taxonomy (okay, he classifies them into discrete categories, but I am trying to go with the flow here and also be way cool). "The Way Cool License Plate Book" contains both a brief history of the license plate, which began as simply the initials of the owner ...

Although The Way Cool License Plate Book will principally be a book for recreational reading, teachers could use it for curricular purposes as well. For example, an English or History teacher might share some of the book's vanity plates and then ask her/his students to create the vanity plates that would belong to fictional characters from literature or real historical figures.
