Therapy of Spiritual Illnesses by Dr Jean-Claude Larchet

One sees from this how theanthropic asceticism, by which man is ontologically converted, constitutes a true therapy, in that such asceticism permits man to turn away from this pathological and unnatural state and to recover the health of his original nature by turning towards God. If Christ appears as a physician and the salvation He brings appears as healing, it is because

Therapy Of Spiritual Illnesses - ariabnb.com

Holistic medicine presupposes that the body, mind, and spirit all influence health. At present, however, we lack any overarching paradigm for assessing and treating the spiritual aspect of disease. Map of the Spirit presents a potentially universal framework of human spiritual development. In this framework, spiritual progress is determined by the balance between 2 forces-Seeking (forward-tending force) and Resistance (force opposing Seeking).
