She tries to ignore the heat she feels whenever she's near her strange boss Mason Maddox, determined not to allow herself to fall for another selfish rich guy after what happened last time. Dix notices Mason's attraction to Krysta and tells her the heart-wrenching story behind his brother's unusual behavior. Against her better judgment, Krysta signs a contract with Dix to do anything his brother asks of her in return for the money she needs to finish her education. But just as Krysta gets to know Mason and discovers the lovable side he was keeping under wraps, he finds evidence

that she's betrayed him. And if she chooses to stay at his ranch, she will be punished. Mastering Mari: Dr. Chase Maddox never felt a connection to another person like the one he felt with Mari—a girl he met at summer camp when they were teenagers. The innocent afternoon they spent alone together confirmed to him they were soul mates. She left the next day with his phone number, promising to call him soon and to meet him at camp the next year. But he never heard from her. For fifteen years, he's been unable to learn her full name, unable to contact her...unable to forget. When she walks into his office one day as his new medical supply sales rep, he's elated, sure his soul mate will remember him, even

though he's changed drastically since his days as a small, scrawny teenager. When she doesn't know him at all, his mind reverts to dark fantasies in which he controls her, making her bend to his will, teasing and tormenting her body until she realizes no one can bring her pleasure like he can. Then, he'll send her away as revenge for the pain she caused him. Although Marissa feels an instant connection and is incredibly aroused by Chase's demands, they are stepping way beyond the bounds of professional behavior. Besides, she's sure he's enjoying flaunting his dominance over the new sales rep. She has to stop this before it goes any farther, and the best way is to turn the account over to someone else. When he

suddenly has another new sales rep, Chase is livid at being rejected by Mari again. Until he attends his cousin Mason's 4th of July party, and Krysta "introduces" him to her friend Marissa. Now, all Chase has to do to make his darkest fantasies come true is entice Mari to his own secluded ranch house, right up the road. - *These stories are for entertainment purposes only and depict extremely hot, but inappropriate, office behavior. Don't try this at work. If you don't like spankings, bondage, bdsm, domination or wealthy cowboy businessmen in your erotic romance, this book is not for you. If you do, however, these Hot Texas Bosses will be right up your alley.

In this book, Carr unravels the biography of the archaeologist Tessa Verney Wheeler, a charming, tiny woman whose untimely death left her archaeological career overshadowed by her distinguished husband, Sir Mortimer Wheeler. Despite a short career of just over twenty years, Verney Wheeler published and

excavated extensively while simultaneously developing new archaeological techniques, brought archaeology into the lives of the general public through her connections with the Press and the encouragement of site tours, and was an inspiring teacher to an impressive roster of students. In this biography, her life is recovered through an examination of her written work, archives, sites, and photographs, as well as through the memories of those who knew her. By means of a discussion of the very personal life and work of one woman, Carr explores the role of women in early British archaeology, resulting in a fascinating picture of a woman and a vivid evocation of the interwar period in

London and Wales. From her work retraining colliery navvies as archaeological diggers in Roman amphitheatres on the Welsh borders, to cheap omelettes with her students at the Lyons Corner House on Piccadilly in London, Verney Wheeler crossed social and physical borders with a grace and appeal that remains very palpable today.
