Think of Jamaica and most people think of soft sand and Caribbean Seas. Of course, Jamaica is riddled with beach opportunities and I spent my fair share of time at the beach but not everyone is a beach lover and even those of us who are still want a bit of diversity in our travel environment - and I found it at Hotel Mockingbird Hill.

You can start a travel article any way you like, as long as it grabs the reader's attention. You can use drama, humour, dialogue, (or all three) - but those first sentences must grip like glue. Many travel articles start in media res - in the thick of the story - and then backtrack to explain how you happened to be in this situation.
