was a type of fighting employed in close quarters and in which no weapons were used. Most species practiced this kind of combat, and a number of sentient species and cultures also developed it into different martial arts proper. A person who practiced martial arts was known as a martial artist, and an expert was called a martial arts master.

channels have been rife with the term 'hand-to-hand combat' or "gutham-gutha" as commentators described the violent skirmishes between the two forces. The Indian Express explains what it means for the Indian armed forces. The Indian army is an armed force and therefore its primary emphasis is on training its men and women in the use of weapons.

Unarmed Combat (SAS and Elite Forces Guide): Hand-to- Hand . . .

Hand-to-hand combat is a physical confrontation between two or more persons at very short range that does not involve the use of ranged weapons. While the phrase "hand-to-hand" appears to refer to unarmed combat, the term is generic and may include use of melee weapons such as knives, sticks, batons, spears, or improvised weapons such as entrenching tools. While the term hand-to-hand combat originally referred principally to engagements by combatants on the battlefield, it can also

Hand to Hand is the skill that governs how well your character can attack enemies using only fists. Hand to Hand attacks damage both the opponent's Health and Fatigue, unlike other types of melee attack. Improving your Hand to Hand skill allows you to deliver more damage with your fists, and gives you access to power attacks.
