Just what exactly is social studies, you may ask? Well, it includes the study of all kinds of people and places, some far away and some next door. In this book we talk about families, like your family in your house, and also lots of people close by, which we call a town or city, and finally about even more people in cities or outside of cities, all living in big places called countries. My Story and the World Around Me is a course for lower elementary students. It includes basic introductions to history, politics, sociology, economics, and geography, and provides a fuller understanding of God ' s world and the cultures of the countries. This is a daily adventure-based curriculum series that encourages families to explore the world together through four nine-week quests and to understand it better from God ' s perspective. It is designed with elements that make weekly learning fun and interactive, including: Activity timeWord find timeReview timeMy story journal Learn all about the world while you discover more about your own. And make sure you pull out your Quest Collector Cards at the beginning of each quest. Your world map on the other side shows where you are in each lesson!

A restlessess born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him-the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans-takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, The Legends of Khasak, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

This special e-edition combines all three print volumes of the collected enduring legends of Kerala in the Aithiyamaala, the garland of legends. Yakehis, gandharvas, gods and demi-gods. Famous poets and learned Ayurvedic doctors. Magicians, concealed kings and Kalari gurus. Faithful, intelligent elephants and their fatherly mahouts. A vibrant and diverse cast of characters brings to life the ancient stories. The original collection of 126 tales, were documented over 25 years and written in the 1900s by Kottaarathhil Sankunni. These stories of well-known figures in Kerala folklore were first published in Bhashaposhini, the renowned Malayalam literary magazine. This edition of 50 stories, meticulously curated and translated by Leela James, transports you to the magical world of history, myth and fantasy of more than 100 years ago. Wisdom and vice, revenge and loyalty, imagination and fact, faith and superstition are intricately intertwined to create a collector's edition for lovers of legends, Malayalam folklore and Indian literature.

Introducing a new star of her generation, an electric debut story collection about mixed-race and African-American teenagers, women, and men struggling to find a place in their families and communities. When Danielle Evans's short story "Virgins" was published in The Paris Review in late 2007, it announced the arrival of a major new American short story writer. Written when she was only twenty-three, Evans's story of two black, blue-collar fifteen-year-old girls' flirtation with adulthood for one night was startling in its pitch-perfect examination of race, class, and the shifting terrain of adolescence. Now this debut short story collection delivers on the promise of that early story. In "Harvest," a college student's unplanned pregnancy forces her to confront her own feelings of inadequacy in comparison to her white classmates. In "Jellyfish," a father's misguided attempt to rescue a gift for his grown daughter from an apartment collapse magnifies all he doesn't know about her. And in "Snakes," the mixed-race daughter of intellectuals recounts the disastrous summer she spent with her white grandmother and cousin, a summer that has unforeseen repercussions in the present. Striking in their emotional immediacy, the stories in Before You Suffocate Your Own Fool Self are based in a world where inequality is reality but where the insecurities of adolescence and young adulthood, and the tensions within family and the community, are sometimes the biggest complicating forces in one's sense of identity and the choices one makes.

A WASHINGTON POST NOTABLE BOOK OF THE YEAR An O, THE OPRAH MAGAZINE BEST BOOK OF 2020 FINALIST FOR THE STORY PRIZE LONGLISTED FOR THE ASPEN WORDS LITERARY PRIZE ONE OF THE NEW YORKER BOOK CRITIC ' S FAVORITE FICTION OF THE YEAR " Sublime short stories of race, grief, and belonging . . . an extraordinary new collection . . ." —The New Yorker " Evans ' s new stories present rich plots reflecting on race relations, grief, and love . . ." —The New York Times Book Review, Editor ' s Choice " Danielle Evans demonstrates, once again, that she is the finest short story writer working today." —Roxane Gay, The New York Times — bestselling author of Difficult Women and Bad Feminist The award-winning author of Before You Suffocate Your Own Fool Self brings her signature voice and insight to the subjects of race, grief, apology, and American history. Danielle Evans is widely acclaimed for her blisteringly smart voice and X-ray insights into complex human relationships. With The Office of Historical Corrections, Evans zooms in on particular moments and relationships in her characters ' lives in a way that allows them to speak to larger issues of race, culture, and history. She introduces us to Black and multiracial characters who are experiencing the universal confusions of lust and love, and getting wallpoe by grief—all while exploring how history haunts us, personally and collectively. Ultimately, she provokes us to think about the truths of American history—about who gets to tell them, and the cost of setting the record straight. In " Boys Go to Jupiter, " a white college student tries to reinvent herself after a photo of her in a Confederate-flag bikini goes viral. In " Richard of York Gave Battle in Vain, " a photojournalist is forced to confront her own losses while attending an old friend ' s unexpectedly dramatic wedding. And in the eye-opening title novella, a black scholar from Washington, DC, is drawn into a complex historical mystery that spans generations and puts her job, her love life, and her oldest friendship at risk.

Novel based on social themes.
