Telling the story of Kafka's final years as never before—the third volume in the acclaimed definitive biography This volume of Reiner Stach's acclaimed and definitive biography of Franz Kafka tells the story of the final years of the writer's life, from 1916 to 1924—a period during which the world Kafka had known came to an end. Stach's riveting narrative, which reflects the latest findings about Kafka's life and works, draws readers in with nearly cinematic precision, zooming in for extreme close-ups of Kafka's personal life, then pulling back for panoramic shots of a wider world blighted by World War I, disease, and inflation. In these years, Kafka was spared military service at the front, yet his work as a civil servant brought him into chilling proximity with its grim realities. He was witness to unspeakable misery, lost the financial security he had been counting on to lead the life of a writer, and remained captive for years in his hometown of Prague. The outbreak of tuberculosis and the collapse of the Austro-Hungarian Empire constituted a double shock for Kafka, and made him agonizingly aware of his increasing rootlessness. He began to pose broader existential questions, and his writing grew terser and more reflective, from the parable-like Country Doctor stories and A Hunger Artist to The Castle. A door seemed to open in the form of a passionate relationship with the Czech journalist Milena Jesenská. But the romance was unfulfilled and Kafka, an incurably ill German Jew with a Czech passport, continued to suffer. However, his predicament only sharpened his perceptiveness, and the final period of his life became the years of insight.

NEW YORK TIMES BESTSELLER "If you're looking for a book to take on holiday this summer, The Seven Husbands of Evelyn Hugo has got all the glitz and glamour to make it a perfect beach read." --Bustle From the New York Times bestselling author of Daisy Jones & the Six—an entrancing and "wildly addictive journey of a reclusive Hollywood starlet" (PopSugar) as she reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. "Heartbreaking, yet beautiful" (Jamie Blynn, Us Weekly), The Seven Husbands of Evelyn Hugo is "Tinseltown drama at its finest" (Redbook): a mesmerizing journey through the splendor of old Hollywood into the harsh realities of the present day as two women struggle with what it means—and what it costs—to face the truth.

Abridged version of a Jewish girl's record of how her family hid from Nazi occupiers in World War II Holland.

There is always some part of the world where human rights are trampled and oppression quashes the human spirit. In the 1980s, it was the Soviet Union. In *Swimming in the Daylight*, Lisa Paul, a Catholic-American student living in Moscow in the early '80s, details how she grew to understand the perverse reality of the pre-Gorbachev Soviet regime as her friendship with her Russian-language tutor, Inna Kitrosskaya Meiman, blossomed. Inna, a Soviet-Jewish dissident and refusenik, was repeatedly denied a visa to receive life-saving cancer treatment abroad. The refusal was an apparent punishment imposed on both her and her Jewish husband, Naum, for his participation in the Moscow Helsinki Watch Group—the lone group fighting for human rights in the U.S.S.R. Before Lisa returned to the United States, she promised Inna she would do all she could to get her out of Moscow. But Lisa was one person, what could she possibly do that would make a difference? Inspired by her faith and rights as an American, Lisa staged a hunger strike, held press conferences, and galvanized American politicians to demand Inna's immediate release. In this heartfelt, compassionate, and inspiring narrative, Lisa brings the reader along with her as she learns indelible lessons from her heroic teacher. Inna's greatest lesson—that it is possible to swim through treacherous waters, in daylight, not in despair—is as relevant today as it was during the final years of the Soviet regime. At a time when international strife seems insurmountable and worries at home seem to paralyze, this story will teach people everywhere that it is the courage inside, not the chaos outside, that defines us.
