## Limited Company (LC) Definition

A limited liability company is one option a business has when it is choosing its legal structure, alongside

# File Type PDF Using A Limited Liability Company

Other options like S corporations and sole proprietorships. The characteristics of the limited liability company include limited liability for the owners' assets—their liability is limited to their investment in the business.

## ~~Limited Liability Company: What Is It?~~

The limited liability concept is applicable for all business types except the sole proprietorship. A sole proprietorship doesn't separate the owner from the business, so the business' liability is the owner's, with no limits. That's why most businesses prefer to limit their liability by forming a corporation, LLC, or partnership.

## ~~What Does Limited Liability Mean?~~

A limited liability company (LLC) is

# File Type PDF Using A Limited Liability Company

the US-specific form of a private limited company. It is a business structure that can combine the pass-through taxation of a partnership or sole proprietorship with the limited liability of a corporation. An LLC is not a corporation under state law; it is a legal form of a company that provides limited liability to its owners in many jurisdictions.
