Keras is darkness. It sustains him. It strengthens him. It offers relief from the pain born of his feelings for a goddess of Olympus, a bewitching and beautiful female placed beyond his reach—one who stole his heart and broke it. Centuries of enduring that pain have left him tired, and the temptation to surrender control to that side of himself grows each day. Even when he knows that darkness will destroy him. Enyo has regrets. Hundreds of them. But the one that has plagued her for centuries, is the moment that shattered her friendship with the firstborn of Hades and her own heart with it—a moment that changed her and set her on a new path. With the battle between the sons of Hades and the daemons turning more dangerous for the man she loves, she can no longer stand on the side lines. It's time for this goddess of war to risk everything to fight for what she wants. As the battle to save the Underworld and the mortal realm rages to dangerous new heights, will Keras be consumed by the darkness or will Enyo be the light that saves him?
