Vengeance Of The Iron Dwarf (Forgotten Realms: Companions ...

Vengeance of the Iron Dwarf is the third and final book of the Companions Codex trilogy, and the 27th part of the Legend of Drizzt, that is, the 27th novel about the extremely popular dark elf ranger by Bob Salvatore. It is also, I'm saddened to say, an awful book.

Continues the adventures of dark elf Drizzt Do'Urden against a backdrop of a brutal war that expands throughout the Forgotten Realms.

Bloody war rages across the Forgotten Realms world in the third book of the Companions Codex, the latest series in R.A. Salvatore's New York Times best-selling saga of dark elf Drizzt Do'Urden. In the evolving world of the Forgotten Realms setting, the Sundering has given way to months of cloud-cloaked darkness, and war rages under that oppressive sky. The orcs have broken a hard-fought treaty that's held, however tentatively, for a hundred years, and the time to settle old scores has devolved into an all-out brawl for control of the ancient realms of the North.

Don't miss the gripping conclusion to Salvatore's New York Times best-selling Transitions trilogy! When the Spellplague ravages Faerûn, Drizzt and his companions are caught in the chaos. Seeking out the help of the priest Cadderly—the hero of the recently reissued series The Cleric Quintet—Drizzt finds himself facing his most powerful and elusive foe, the twisted Crenshinibon, the demonic crystal shard he believed had been destroyed years ago.

Returning with his reunited companions to Gauntlgrym in the hopes of rescuing Bruenor's loyal shield dwarf, dark elf Drizzt Do'Urden navigates the dangers of the Underdark while struggling to outmaneuver a murderous drow colony. By the best-selling author of the Forgotten Realms: The Legend of Drizzt series.

In the second book of the Companions Codex, the latest series in R.A. Salvatore's New York Times best-selling saga of dark elf Drizzt Do'Urden, the orcs of Many Arrows decide to take advantage of the chaos wrought by the Sundering to reignite a blood feud first brought to life in the phenomenal best seller The Thousand Orcs.

DRIZZT RETURNS TO THE UNDERDARK! After a quarter of a century, R.A. Salvatore just keeps getting better and better, and The Companions is another masterful leap forward for one of the greatest fantasy epics of all time. Philip Athans, best-selling author of Annihilation and Writing Monsters R.A. Salvatore Archmage The pall that had descended over the North is gone, and a new day has dawned on a victorious Mithral Hall, but no matter how bright things seem on the surface, Drizzt and his companions know that what lurks just under their feet remains steeped in evil and charged with unimaginable power. The dark elves of Menzoberranzan, including the powerful Archmage Gromph, aren't done with Drizzt yet. And consumed by their own power struggles, feeling backed into a corner, the drow may just be desperate enough to call on demonic forces from the deepest reaches of the Abyss, and unleash a disaster even the Underdark could never have prepared for. Archmage has everything Drizzt's fans crave: action, adventure, characters that resonate with equal measures of warrior spirit and deep compassion, and no shortage of wicked dark elves!

Drizzt joins Bruenor on his quest for the fabled dwarven kingdom of Gauntlgrym: ruins said to be rich with ancient treasure and arcane lore. But before they even get close, another drow and dwarf pair stumbles across it first: Jarlaxle and Athrogate. In their search for treasure and magic, Jarlaxle and Athrogate inadvertently set into motion a catastrophe that could spell disaster for the unsuspecting people of the city of Neverwinter—a catastrophe big enough to lure even the mercenary Jarlaxle into risking his own coin and skin to stop it. Unfortunately, the more they uncover about the secret of Gauntlgrym, the more it looks like they can't stop it on their own. They'll need help, and from the last people they ever thought to fight alongside again: Drizzt and Bruenor.

The Companions is the best novel [R.A.] Salvatore has ever written. It's insanely courageous, profoundly powerful, masterfully constructed, and easily Salvatore's most ambitious work to date. Paul Goat Allen, BarnesandNoble.com After a quarter of a century, R.A. Salvatore just keeps getting better and better, and The Companions is another masterful leap forward for one of the greatest fantasy epics of all time. Philip Athans, best-selling author of Annihilation and The Haunting of Dragon's Cliff This latest installment in New York Times best-selling author R.A. Salvatore's beloved fantasy saga, The Companions moves Salvatore's signature hero Drizzt into a new era of the Forgotten Realms. As Drizzt's fate hangs in the balance, he reflects on the lives of the trusted allies who stood by his side throughout his early life—the friends now known as the Companions of the Hall. Meanwhile, the first stirrings of the Sundering begin.

In the subterranean city of Menzoberranzan, Drizzt Do'Urden faces his ultimate challenge, as the matron of a powerful ruling house prepares an assault on Mithril Hall and Lloth, the Spider Queen, is unleashed on the metropolis.

New York Times and USA Today Bestseller! R. A. Salvatore returns with one of fantasy's most beloved and enduring icons, the dark elf Drizzt Do'Urden, in an all-new trilogy full of swordplay, danger, and imaginative thrills. Centuries ago, in the city of Menzoberranzan, the City of Spiders, the City of Drow, nestled deep in the unmerciful Underdark of Toril, a young weapon master earned a reputation far above his station or that of his poor house. The greater nobles watched him, and one matron, in particular, decided to take him as her own. She connived with rival great houses to secure her prize, but that prize was caught for her by another, who came to quite enjoy the weapon master. This was the beginning of the friendship between Zaknafein and Jarlaxle, and the coupling of Matron Malice and the weapon master who would sire Drizzt Do'Urden. R. A. Salvatore reveals the Underdark anew through the eyes of Zaknafein and Jarlaxle—an introduction to the darkness that offers a fresh view of the opportunities to be found in the shadows and an intriguing prelude to the intriguing escapes that lie ahead in the modern-day Forgotten Realms. Here, a father and his son are reunited and embark on adventures that parallel the trials of centuries long past as the friends of old are joined by Drizzt, Hero of the North, trained by Grandmaster Kane in the ways of the monk. But the scourge of the dangerous Lolth's ambitions remain, and demons have been foisted on the unwitting of the surface. The resulting chaos and war will prove to be the greatest challenge for all three.
