The new program builds upon the success of the fifth edition with an expanded emphasis on contemporary language, pronunciation, culture, and technology to create a truly communicative, interactive experience. On the digital side, this new edition offers Connect French and LearnSmart, with their unparalleled adaptive and digital learning resources.

Vis-à-vis engages students with its unique integration of contemporary culture and communicative building blocks, providing the tools they need to build a solid foundation in introductory French. The proven qualities of Vis-à-vis are well known: • an easy-to-navigate chapter structure with four lessons in which vocabulary, grammar, and culture work together as integrated units; • an abundance of practice activities that range from form-focused to communicative; • a balanced approach to the four skills; • diverse coverage of the Francophone world that includes an outstanding video program featuring bloggers and cultural footage from eight different Francophone regions. These features support the core goals of the introductory French course—communicative and cultural competence—and lay the groundwork for student success. "Connect French" and "LearnSmart" In its sixth edition, Vis-à-vis, continues to evolve to meet the changing needs of instructors and students by responding to feedback from these users themselves. Employing a wide array of research tools, we identified a number of areas for potential innovation.
