wake up and smell the ☐coffee
(American English, informal) used
to tell somebody that they are
wrong about a particular situation
or have not been aware of
something and it is time that they
realized and accepted the truth:
It's time to wake up and smell the
coffee: you're not going to pass
this course unless you start
working harder.

Wake up and smell the coffee -
Idioms by The Free Dictionary
Wake up and smell the... nothing.
Coronavirus affects the body in a
plethora of different ways. It
infects the upper respiratory tract
leading to a cough and shortness
of breath, it causes congestion
that blocks sinus drainage
passages and leads to headaches,
it triggers the body's production
of cytokines leading to fever and
inflammation and for many
people, it messes around with
their sense of smell and taste.

Wake up and smell the... nothing

of a situation or do away with the misconceptions that are being harbored about something. On the same lines, by extension, it also means to realize something that is pretty obvious to everyone else. The 'wake up and smell the roses' is an extension of the coffee phrase, and only substitutes the element 'coffee' with that of a 'rose'.
