Gail Lim, a producer of radio documentaries in present-day Vancouver, finds herself haunted by events in her parents ' past in wartorn Asia, a past which remains a mystery that fiercely grips her imagination. As a child, Gail ' s father, Matthew Lim, wandered the Leila Road and the jungle fringe with his lovely Ani, a girl whose early bond with Matthew will affect his life always. As children, they found themselves together under the terrifying shadow of war in Japanese-occupied Sandakan, Malaysia. The war shatters their families and splits the two apart until years later, when they remeet only to

be separated again. The legacy of their connection is later inherited by Matthew ' s wife, Clara, in unexpected ways. Gail ' s journey to unravel the mystery of her parents ' lives takes her to Amsterdam, where she meets the war photographer Sipke, who tells his story of Ani and their relationship, which began in Jakarta, a story that will bring Gail face to face with the complications in her own life and lead her closer to the truth. Vivid, poignant, wise, at once sweeping and intimate, *Certainty* is a novel about the legacies of loss, about the dislocations of war and the redemptive qualities of love. Thien reveals herself as a novelist of rare and potent talent.

Survival is just the beginning. Blaine McFadden endured six long years in the brutal Velant prison colony, exiled for murder. War devastated his homeland of Donderath and destroyed the magic on which the Ascendant Kingdoms relied. Now Blaine and a small group of fellow exiles have returned to a lawless wasteland, where unrestrained magic storms wreak havoc and monsters roam free. Yet, amidst the chaos, rumors persist of a new magic that could restore the kingdoms. But the key lies with a dangerous, ancient ritual and a group of vanished survivors. Now McFadden's only hope is a small, desperate, quickly rallied army. Together they must make one last stand knowing that if they fail, the civilization of the Ascendant Kingdoms dies with them.

Summoner-King Martris Drayke must attempt to meet this great threat, gathering an army from a country ravaged by civil war. Tris seeks new allies from among the living - and the dead - as an untested generation of rulers face their first battle. Meanwhile, the legendary

All are certain, though, that war is coming to the Winter Kingdoms. THE SWORN is the beginning of a new adventure set in the world of The Chronicles of the Necromancer.
