reading habit will not unaided create you have any favourite activity. It will be one of guidance of your life. subsequent to reading has become a habit, you will not make it as upsetting happenings or as tiring activity.

## Wave Properties 25 Lab Answers - SEAPA

Wave properties depend on what (type of energy) is making the waves. 1.Wavelength: The distance between one point on a wave and the exact same place on the next wave. 2.

Frequency: How many waves go past a point in one second; unit of measurement is hertz (Hz). The higher the frequency, the more energy in the wave.
