Refresh your toolbox with modern poses your clients will love Whether you're shooting your first wedding or are a seasoned professional, the formal portrait session can be one of the toughest parts of photographing a wedding. Faced with tight timelines, unpredictable lighting, and clients eager for stylish, flattering portraits, it's critical to come prepared with a toolbox of fresh, modern poses. Happily, Design Aglow's 100 ideas for posing engaged couples, brides, brides and grooms, and bridal parties will help you approach each session brimming with confidence and creative ideas. Design Aglow's style-savvy approach has resonated with photographers (and their clients) everywhere. This curated collection reflects their modern sensibility, with poses from industry superstars such as KT Merry, bobbi+mike, Elizabeth Messina, Jessica Lorren, Milou + Olin, Paul Johnson, Lisa Lefkowitz, Anna Kuperberg, and more. You'll also get tips on directing your subjects, easy follow-up shots for each setup, and behind-the-scenes lighting information. Both eye candy and practical reference tool, The Design Aglow Posing Guide for Wedding Photography will inspire novices and experts alike to "wake up" their style and take beautiful portraits today's brides and grooms will love.

Have you ever wondered why some wedding photographers succeed, when many others fail? Why some prosper, while others struggle to make a profit? Or how some can retire young, while others can never afford to stop? In this book, Damien Lovegrove shares with you the secrets of fusing art with commerce and gives you the vital tools needed for great achievement. This stunning guide by two exceptional wedding photographers at the top of their game is packed with over four hundred pictures all with their own tales to inspire and inform. It provides a simple yet profoundly powerful recipe for success, both for photographers just starting out and seasoned wedding pros alike. * Discover how to master every aspect of photographing a wedding * Develop your style, and learn new shooting techniques * Understand how to read and use light quickly and effectively * Get to grips with selling, marketing, postproduction and product design * Improve your customer experience and increase your product value * Manage your time and become a more effective photographer * Learn financial mastery and how to avoid financial misery * Fast track your career and unleash your potential "This isn't just another professional guide, it's a blueprint for success. Becoming a wedding photographer is the easy part. What's difficult is joining the elite, the top wedding photographers who earn big money. Even then it's not enough to be a good photographer. You've got to be good at everything else, too. That's where this book comes in." Christopher Wordsworth, professional photographer, author and journalist. "Damien Lovegrove is among a very few photographers who have a deep grasp of business concepts. He generously shares his proven business and photographic system with us - invaluable to both the aspiring and experienced professional photographer in the digital era. A must read." Michael J. Marmur, MBA, President - Special Event Photography, Canada Damien Lovegrove has created a highly respected, world class photography business. He learned his trade as a cameraman and lighting director at the BBC. In 1998 Damien teamed up with his wife Julie to launch Lovegrove Weddings. They took the industry by storm winning a string of major awards and have since photographed over 300 top weddings for clients around the world. Their extensive knowledge gained from these lucrative commissions is condensed into this valuable resource.

•• Buy the Paperback version of this book and get the eBook version included for FREE •• It is not easy to start learning any new technical skill with all the overwhelming information that is out there, therefore, knowing what is important and what to focus on makes all the difference. Photography is not simply about pointing and shooting, there is a lot more to it than that. Technology has advanced, and so have the cameras, making them more complex to use. In order to take photos that are admired, it is necessary to consider many things such as exposure manipulation and using the right angle. There is more to photography than it may seem and having such a skill in your toolbelt can open many doors. You can expect to learn about: -Most important features of a camera and how to use them -How to maximize the impact of black and white photos -How to deal with the unexpected -How to avoid the beginner photographer mistakes -What goes into choosing the best reception location -And a lot more! Books included: -Photography 101: Beginner's Guide to Tools, Techniques and Features for Taking Stunning Photos and Eventually Becoming a Pro and Starting a Photography Business -Wedding Photography 101: Beginner's Guide to Tips and Tricks for Wedding Photographers to Successfully Capture the Big Day -Wedding Planning Guide: Guide to Checklists, Tricks and Ideas For Planning and Organizing Every Aspect of Your Dream Wedding While Also Saving a Lot of Money and Nerves The easiest way to learn a new skill, which is challenging enough by itself, is to learn from the right sources and to execute upon that knowledge until success is achieved. The skill of photography can take you in many exciting directions once it is acquired. If you are ready to learn how to start with photography, how to photograph weddings and how to plan weddings on a budget, then scrolling over to the BUY button and clicking it is the first step.
