**Growing up is a whole lot easier if you have some idea what to expect. This book describes exactly what will happen to your body in a straightforward, easy-to-understand way, and it explains some of your feelings too - all you need to know for this important time in your life. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "Look no further: the What's Happening to Me? Books are nothing short of brilliant. They aim to help children aged nine and above understand bodily changes and they do this extremely well.****Susan Meredith** **answers the questions** **young girls want to ask but might feel afraid to. It's all there: getting measured up for a bra, periods, using towels and tampons, feeling, diet, health and hygiene and there is also a section on what happens to boys.** **The text is informal, chatty, full of useful facts and packed with considerate advice and support. A book like that wouldn't work as well without graphics and diagrams, and the illustrations are colourful and engaging as well as informative."** - John Dabell, TES Magazine

Discusses the mental and physical changes in girls that take place during puberty.

For more than twenty years, **What's Happening to Me?** has helped parents explain puberty to their children who are experiencing "growing pains". More than one million children and young adults have enjoyed the humor and honesty in this book, while learning what really happens to their bodies as they mature. **Peter Mayle** and **Arthur Robins** are the bestselling team also responsible for **Where Did I Come From?**

**Growing up is a whole lot easier if you have some idea what to expect. This book describes exactly what will happen to your body in a straightforward, easy-to-understand way, and it explains some of your feelings too - all you need to know for this important time in your life. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "Look no further: the What's Happening to Me? books are nothing short of brilliant. They aim to help children aged nine and above understand bodily changes and they do this extremely well... Reading these books will help young people to become more self-assured and feel more comfortable talking about their concerns.****Adolescent boys will find this book answers a lot of their questions and help them to worry less about the changes taking over their bodies. Reading these books will help young people to become more self-assured and feel more comfortable talking about their concerns. "** - John Dabell, TES Magazine

Grade level: 1, 2, 3, 4, 5, 6, 7, k, p, e, s, t.

Discusses the mental and physical changes that take place during puberty.

If you could have any animal's front teeth, whose would you choose? **WHAT IF YOU HAD ANIMAL TEETH?** takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right.

Library Friendly Edition of original- A sensitive, detailed and informative guide to male puberty, this book will prove invaluable for both young boys and their parents alike, tackling key subjects from the physical changes that occur at this time to the emotional upheaval this can cause.

This bestselling classic explains the many changes girls experience by reaching puberty. New sections cover the female athletic syndrome and Internet resources. Illustrations.

The "What's Happening to My Body?" Book for Girls **Written by** **experienced educator and her daughter** **in a reassuring and down-to-earth style, The "What's Happening to My Body?" Book for Girls** **gives sensitive** **straight talk on:** **the body's changing size and shape; the growth spurt; breast development; the reproductive organs; the menstrual cycle; body hair; diet and exercise; romantic and sexual feelings; and puberty in the opposite sex. It also includes information on anorexia and bulimia, sexually transmitted diseases, AIDS, and birth control. Featuring detailed illustrations and real-life stories throughout, plus an introduction for parents and a helpful resource section, this bestselling growing-up is an essential puberty education and health book for all girls ages 10 and up.**
