~~Where Does The Wife Led Marriage Lead? — Think aloud~~
Definition Of A Female Led Relationship. A female-led relationship (FLR) is simply the one whereby a female takes the charge and calls the shots for the well-being of the relationship. This breaks the stereotypical notion that men should always lead and dominate. A female-led relationship is a traditional relationship but with the gender roles reversed.

A Female-Led Relationship (FLR), also known as a Wife-Led Relationship (WLR) or Head of Household (HoH) among others, is a way of approaching your marriage (or relationship if you are not yet married) that offers women the intimacy and commitment that nearly all seek for their marriage but what so many fail to discover. You can have the husband (or boyfriend) and the marriage you have always dreamed of having if you are willing to assume your place as the dominant woman of your household and ...

What I don't see is why, in a male led relationship situations like the above are treated as abuse and worthy of police attention. It is easily understood that there should be a leader in the relationship, be it male or female but to block one while espousing the other is pure hypocrisy. Why not let nature evolve. The problems arise on break ups. I presume on FLR'S the wife forgoes any gender
