The analysis and practice of writing which begins in Writing Degree Zero (1953) gives a further clue about the concerns implicit in Mythologies. These centre on the recognition that language is a relatively autonomous system, and that the literary text, instead of being the transmitter of an ideology, or the sign of a political commitment, or again, the expression of social values, or, finally, a vehicle of

Key Theories of Roland Barthes | Literary Theory and Criticism

Is there any such thing as revolutionary literature? Can literature, in fact, be political at all? These are the questions Roland Barthes addresses in *Writing Degree Zero*, his first published book and a landmark in his oeuvre. The debate had engaged the European literary community since the 1930s; with this fierce manifesto, Barthes challenged the notion of literature's obligation to be socially committed.
