A refugee, generally speaking, is a displaced person who has been forced to cross national boundaries and who cannot return home safely. Such a person may be called an asylum seeker until granted refugee status by the contracting state or the United Nations High Commissioner for Refugees (UNHCR) if they formally make a claim for asylum. The lead international agency coordinating refugee ...

3. Help refugees to integrate into a new culture. The movie *The Good Lie* did a great job of portraying the feelings of isolation that refugees can feel when they are relocated to a new country and then try to get over their trauma and restart their lives. Even small gestures of friendship can mean a great deal, so

8 practical ways to help refugees

Refugee Refugees are persons who are outside their country of origin for reasons of feared persecution, conflict, generalized violence, or other circumstances that have seriously disturbed public order and, as a result, require international protection. The refugee definition can be found in the 1951 Convention and regional refugee instruments, as well as UNHCR's Statute.

Definitions | Refugees and Migrants

Refugees are defined and protected in international law. The 1951 Refugee Convention is a key legal document and defines a refugee as: "someone who is unable or unwilling to return to their country of origin owing to a well-founded fear of being persecuted for reasons of race, religion, nationality, membership of a particular social group, or political opinion."

Like many people, we have been struggling with how to respond to the current refugee crisis across Europe. To help churches and groups reflect prayerfully and worshipfully on this, we have created a video for the very fitting song 'You are a Refugee (Arms)' by Ben Atkins from RESOUNDworship.org. You can download the video here on our website and use it in services or events.

You are a refugee Video - engageworship

26 million people worldwide have fled to other countries as refugees, more than half of whom are under the age of 18. We are now witnessing the highest levels of forced displacement on record, and it's happening at an alarmingly increasing rate, putting pressure on countries like ours to absorb refugees.
